We come together as a community — across continents, generations, and backgrounds — to celebrate a life dedicated to the struggle for democracy, justice, and equality.

Rt. Hon. Raila Amolo Odinga/Baba/Rao devoted his life to the struggle for a democratic Kenya. His courage in the face of imprisonment, his steadfast advocacy for multiparty democracy and his lifelong defense of constitutional reform continue to inspire generations who believe in freedom.

As members of the diaspora, we gather not only to mourn but to **celebrate his enduring spirit of resilience**, his belief in the power of the people, and his hope for a Kenya built on unity, justice, and dignity for all.

For many in Kenya and the diaspora, his story is one of **sacrifice, vision, and hope** a reminder that democracy is not a destination but a continuous act of collective courage.

Let us reflect, share, and give thanks for his enduring spirit of resilience and to honor a life lived in service of humanity and his vision for a united and democratic Kenya.

May this gathering remind us of our shared humanity, our collective strength, and the enduring power of one life lived in the service of many

A Non-Political Space

This is a **non-partisan and inclusive gathering**. We come together not through political affiliation, but through shared respect for a leader who gave voice to the struggle for a democratic and just Kenya.
